Iris presented the Club with a cheque for £259 being the proceeds of her concert held in aid of the Rotary Charity Fund.

Our District Governor Colin Mathews received an email from John Craike, District Governor of District 1270 where the recent floods have been most devastating. Colin had spoken to John and it seems the situation still requires an enormous amount of input from Rotarians in his area.

The trust is being set up as "Rotary D1270 Flood Appeal", and any cheques should if possible be made payable to that account. Colin would urge us all to consider supporting this campaign for funds. It is not often that there is such a disaster in this country. Clubs in this District are always very supportive of disasters abroad.

Please help if you possibly can and AS SOON AS POSSIBLE.

The Club will be collecting at ASDA Southgate on Sat 4th August.
