

Rotary Club of Southgate ~ *Serving our local community*

Who are Rotarians?

Rotarians believe that commerce and the community are totally inter-dependent. Rotarians place strong emphasis on personal service to the community and pride themselves on bringing the same degree of professionalism and integrity to their community work as they do to their occupation. Through vocational projects Rotarians support local job development, employment skills, literacy, and numeracy training and a range of work related activities as well as environmental initiatives.

Rotarians also give community service overseas, where their professional skills are in great demand.

Who can join?

Prospective members must actively hold or be retired from a professional, proprietary, executive or managerial position. Additionally, they must have the desire and ability to serve and also to meet the club's attendance requirements for its weekly meetings.

Do You....

- believe in service above self?
- demonstrate a strong sense of community?
- believe in vocational integrity?
- hold high moral values?
- have good leadership skills?
- have a strong interest in the well-being of others?
- like making new friends?

If you answered YES to all the above, you are likely to be a good prospect for membership of this Rotary Club.

Would you like to join?

Membership of the club is by invitation and if you would like to visit the club to find out more, please complete and post the attached tear-off card or telephone or email your details.

Rotary International

is a world-wide association of local networking clubs for men and women in business or the professions. Rotarians provide humanitarian service to the community at local, national and international level.

Rotarians encourage high ethical standards in all vocations and work for goodwill and peace in the world. Rotary was founded in 1905 and now has over 1.2 million members in over 30,000 clubs in all parts of the world.

Each Rotarian is encouraged to attend weekly meetings at their own or other clubs anywhere in the world.

A Club meeting is centred around a meal and usually includes a talk on a subject of general interest given by an invited speaker. Weekly meetings encourage acquaintance and friendship from which Rotarians find the inspiration to serve the community.

The Rotary Club of Southgate was formed in 1925, it currently has a membership of 30 men and women who meet every Monday, except Bank Holidays, at 12.45 - 2pm at the Jolly Farmers, Enfield Road, Enfield.
